

Ask lots of questions  
—to deepen our understanding

Use equipment to explore  
and answer the questions  
we have.

Have fun and enjoy our  
lessons—there is a buzz in  
the room.

Use the correct scientific  
vocabulary when talking  
about our science.

Understand how science fits  
into our everyday lives and  
why it is important.

At Grange we look forward to our  
science lessons because we:
