Ann Webb

Family Support Worker

All About Me:

I am the new family support worker at The Grange Primary Academy. I have been working with children and families across Northamptonshire for over 25 years, and I'm really looking forward to working with you.

First and foremost I am a mother, aunt, great aunt, and godmother. During my working career I have been a foster carer, child minder, school governor, and support worker, working with children across all ages, from pre school up to students studying for their A Levels. Within this I have worked in behaviour support and learning support, as well as for Northamptonshire County Council and an array of charities, always with children and families as the focus.

I am happy to work with and chat to anyone about anything family or child related. Read below to see some of the things I can help and support you with.
