

# Grange History Curriculum 2025-2026

Grange Primary Academy  
The best in everyone™  
Part of United Learning

| Primary History

# Contents

This document aims to provide history subject leaders and classroom teachers with an understanding of the rationale for the history curriculum, the core substantive and disciplinary knowledge that will be covered, as well as guidance on how to implement it in individual schools and classrooms.

## 1. Intent

- Principles
- Curriculum Outlines
- Alignment to National Curriculum
- Unit Overviews: N3-4, Reception, Year 1, Year 2, Year 3, Year 4, Year 5, Year 6
- Vertical concepts
- Disciplinary knowledge: Thinking Like a Historian

## 2. Implementation

- Using the United Curriculum
- Transitions

## 3. Impact

# Grange Curriculum Principles

## History Curriculum Drivers

As a result of the children being taught the Grange History Curriculum, our children will be:

**A Resilient Learner** – Pupils are resilient learners who overcome barriers to learning and understand their own strengths and areas for development.

**An Independent Enquirer** – Pupils are safe and happy in history lessons which give them opportunities to explore their own investigative skills and knowledge development.

**An Articulate Collaborator**- Pupils are able to critique their own work as a historians because they know how to be successful. They are able to talk about a variety of key historical figures and periods in time and how they impact on our lives today.

**An Ambitious Individual** – Pupils are encouraged and nurtured to overcome any barriers to their learning or self-confidence because feedback is positive and focuses on historical skills, knowledge and enquiry.

**A Considerate Participant** -Pupils are engaged because they are challenged by the curriculum which they are provided with. They develop historical enquiry skills and confidence over time because of careful planning, focused delivery and time to practise and hone skills.

## Sequencing of Content

The Grange Primary Academy History overview ensures that prerequisite knowledge is considered and linked to new learning.

A range of eras are taught across phases, giving opportunity to refine understanding of chronology.

Local history is heavily considered and celebrated within the curriculum.

**Historical Significance:** Yr 1 Family History, Yr 2 Great Fire of London, Yr 3 Ancient Greece, Yr 4 Early Islamic Civilisation, Yr 4 Local History.

**Causation:** Yr 1 Castles, Yr 3 Ancient Egypt, Yr 5 Roman Empire in Britain, Yr 6 Viking Invasions

**Change & Continuity:** Yr 1 History of Transport, Yr 2 Longitudinal Study, Yr 5 Roman Empire, Yr 5 Longitudinal Study, Yr 6 Longitudinal Study

**Similarity & Difference:** Yr 2 Comparison of Explorers, Yr 3 Stone Age & Iron Age, Yr 4 Mayans, Yr 6 Settlement by Anglo-Saxons

## Deepening Concepts

The Grange History curriculum provides children with a: Coherent, chronological knowledge of the history of Britain and the wider world, through the framework of three vertical concepts:

- ***'Quest for knowledge'***
- ***'Power, empire and democracy'***
- ***'Community and family'***

## Big Ideas

- Historical Significance
- Chronology
- Causation
- Change & Continuity
- Similarity & Difference
- Evidence and source analysis
- Frame historically valid questions
- Make links across periods of history

## Retrieval Practice

Children take part in regular mini-quizzes and retrieval activities to strengthen their memory.

Learning journeys dove-tail so that learning can be retrieved and applied

Remembering information and knowledge is celebrated and is part of the Grange culture.

## Purpose

Each unit of work is purposeful and works towards a known end goal which ensures all children understand that their learning has a real life purpose.

# Grange Curriculum: History

	N3-4	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn	<p><b>Marvellous Me &amp; Look at Me</b> [Aut1]</p> <p>Talking about family members and family routines, and exploring how children have changed since they were babies</p>	<p><b>Me and my world</b> [Aut1]</p> <p>Talking about different family members and their roles in more depth</p> <p><b>My heroes</b> [Aut1]</p> <p>Comparing heroic characters from the past and present</p>	<p><b>My family history</b> [Aut 2]</p> <p>An introduction to the past with my family tree, and how schools, toys and the way we communicate have changed in living memory</p>	<p><b>Local history - Kettering</b></p> <p>Using primary and secondary sources to learn how our local community has changed over time.</p>	<p><b>European history: Prehistoric Britain</b> [Aut 2]</p> <p>How settlements, food, communities and beliefs changed across the Palaeolithic, Mesolithic, Neolithic, Bronze Age and Iron Age</p>	<p><b>North American history: Ancient Maya</b> [Aut 2]</p> <p>Understanding life for the Ancient Maya, and comparing this with that of the Ancient Greeks and Ancient Egyptians</p>	<p><b>European history: Ancient Rome</b> [Aut2]</p> <p>The development of the Roman Empire, how it changed over time, and how these changes affected people differently</p>	<p><b>European history: Anglo-Saxons</b> [Aut 1]</p> <p>Using artefacts identified at Sutton Hoo to explore what life was like for Anglo-Saxons</p>
Spring	<p><b>On the move</b> [Spr1]</p> <p>Exploring occupations related to transport</p> <p><b>On the farm</b> [Spr2]</p> <p>Exploring occupations related to farming</p>	<p><b>Castles, knights and dragons</b> [Spr1]</p> <p>Learning about historical figures in castles and comparing images of Queen Elizabeth II with that of historical queens</p>	<p><b>History of transport</b></p> <p>The development of transport by land, sea, air and space and the roles of key individuals</p>	<p><b>Great Fire of London</b> [Spr 2]</p> <p>Life in London 1660s, and the causes and effects of the Great Fire of London</p>	<p><b>African history: Ancient Egypt</b></p> <p>The role of the pharaoh in Ancient Egypt, and examining pyramids, mummification and conquest in the Egyptian empire</p>	<p><b>Asian history: Early Islamic Civilisation</b> [Spr1]</p> <p>The establishment of Baghdad and the contributions Islamic scholars in the House of Wisdom made to science, maths, medicine and technology</p>	<p><b>European history: Roman Empire in Britain</b></p> <p>The Roman conquest of Britain, and how the Romans maintained power in Britannia</p>	<p><b>European history: Viking age</b> [Spr 2]</p> <p>Understanding who the Vikings were and how their reputation has changed over time; making arguments as to whether they deserve a violent reputation</p>
Summer		<p><b>Where we live</b> [Sum1]</p> <p>Learning about familiar aspects of our locality from the past, using historic photographs and memories of older adults</p>	<p><b>Homes through time</b></p> <p>How homes looked different in the past, using pictures and videos</p>	<p><b>Explorers</b></p> <p>The similarities and differences between the lives of Sacagawea and Michael Collins</p>	<p><b>European history: Ancient Greece</b> [Sum 2]</p> <p>The contributions made by the city-states of Ancient Greece, and how these influence our lives today</p>	<p><b>European history: Local History</b></p> <p>Why is [X] famous today? How has [local feature] been important in our community? How has migration shaped our community?</p>	<p><b>Global history: Quest for knowledge</b> [Sum 2]</p> <p>An exploration of a range of civilisations across the world and across time, and how they developed and shared knowledge</p>	<p><b>Global history: Power, empire and democracy</b></p> <p>A short introduction to the rise and fall British Empire, and its legacy in Britain from the 1960s to today</p>

# Grange Curriculum: History

# Alignment to the National Curriculum

The below tables outlines where the statutory content from the National Curriculum is first taught across KS1 or KS2. The curriculum has been sequenced so that much of the content is reviewed in subsequent units. Pupils are taught disciplinary knowledge, including change, cause, similarity and difference and significance, throughout each unit. Careful attention has been paid to the mathematics Programmes of Study, as well as the content of the science and geography curriculum to ensure that pupils build on knowledge where appropriate.

## KS1

Changes within living memory. Where appropriate, these should be used to reveal aspects of change in national life	Y1 Aut; Y1 Spr; Y1 Sum; Y2 Aut
Events beyond living memory that are significant nationally or globally [for example the Great Fire of London, the first aeroplane flight or events commemorated through festivals or anniversaries]	Y2 Spr
The lives of significant individuals in the past who have contributed to national and international achievements.	Y1 Spr; Y2 Sum
Lives of significant individuals who can be used to compare aspects of life in other periods	Y2 Sum
Significant historical events, people and places in their own locality	Y2 Aut

## KS2

Changes in Britain from the Stone Age to the Iron Age	Y3 Aut
The Roman Empire	Y5 Aut
The Roman Empire's impact on Britain	Y5 Spr
Britain's settlement by Anglo-Saxons and Scots	Y6 Aut
The Viking and Anglo-Saxon struggle for the Kingdom of England to the time of Edward the Confessor	Y6 Spr
A local history study	Y4 Sum
A study of an aspect or theme in Britain that extends pupils' chronological understanding beyond 1066	Y5 Sum; Y6 Sum
The achievements of the earliest civilisations – an overview of where and when the first civilisations appeared	Y5 Sum
The achievements of the earliest civilisations – a depth study of one of the following: Ancient Sumer, the Indus Valley, Ancient Egypt, the Shang Dynasty of Ancient China	Y3 Spr
Ancient Greece – a study of Greek life and achievements and their influence on the western world	Y3 Sum
A non-European society that provides contrast with British history – one study chosen from: Early Islamic Civilisation, including a study of Baghdad c. AD 900; Maya civilisation c. AD 900; Benin (West Africa) c. AD 900-1300	Y4 Aut; Y4 Spr

# N3-4: Autumn

	Building on prior understanding	Pupils should be exposed to	How knowledge will be built upon
Substantive		<ul style="list-style-type: none"> <li>• Say who lives in their house</li> <li>• Name their immediate family</li> <li>• Mimic familiar adults engaged in everyday tasks</li> <li>• Talk about the roles of adults they live with</li> <li>• Name and talk about their extended family</li> <li>• Talk about how they have changed from being a baby</li> <li>• Talk freely about family and home life</li> <li>• Say how children and adults are different</li> <li>• Recall special times, such as birthdays, that they remember in their life</li> </ul>	<ul style="list-style-type: none"> <li>• Talk about occupations of people they live with (Rec Aut1)</li> <li>• A family tree shows the relationships between different generations in a family (Y1)</li> </ul>
Disciplinary and procedural		<ul style="list-style-type: none"> <li>• <b>Chronology:</b> Say how many years old I am</li> <li>• <b>Change &amp; continuity:</b> Over time, some things about a person (me) stay the same and some things change</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Chronology:</b> Use vocabulary like, then, now, before, after, a long time ago (Rec Aut)</li> <li>• <b>Change &amp; continuity:</b> Over time, some things about a place stay the same and some things stay the same (Rec Sum)</li> </ul>
VCs		<ul style="list-style-type: none"> <li>• <b>Community &amp; family:</b> Talk about the lives of the people in my community, including my family, and their roles in society</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Community &amp; family:</b> My local community was different for families at different times in history (Y1)</li> </ul>

Relevant **Development Matters (N3-4)** statements:

- Begin to make sense of their own life-story and family's history

# N3-4: Spring

Building on prior understanding	Pupils should be exposed to	How knowledge will be built upon
Substantive	<ul style="list-style-type: none"> <li>Show an interest in occupations linked to transport</li> <li>Trains (and other vehicles) can be powered by steam, diesel or electricity.</li> </ul>	<ul style="list-style-type: none"> <li>We can travel in many ways today (Y1)</li> <li>People in the past could travel less far than we can today (Y1)</li> <li>Transport options have changed in living memory (Y1)</li> <li>Options to travel in space, in the air, by car or by train have changed over time (Y1)</li> </ul>
Disciplinary and procedural		
VCS	<ul style="list-style-type: none"> <li><b>Community &amp; family:</b> Talk about the lives of the people in my community, including my family, and their roles in society</li> </ul>	<ul style="list-style-type: none"> <li><b>Community &amp; family:</b> My local community was different for families at different times in history (Y1)</li> </ul>

Relevant **Development Matters (N3-4)** statements:

- Show interest in different occupations.

# Reception: Autumn

	Building on prior understanding	Pupils should be exposed to	How knowledge will be built upon
Substantive	<ul style="list-style-type: none"> <li>• Talk about the roles of adults they live with (N3-4 Aut1)</li> </ul>	<ul style="list-style-type: none"> <li>• Talk about occupations of people they live with</li> <li>• Learn about a hero from recent history (i.e. last ~100 years), who may also be important in the local community</li> <li>• Celebrations of special days look different today compared to when our parents and grandparents were children</li> </ul>	
Disciplinary and procedural	<ul style="list-style-type: none"> <li>• <b>Change &amp; continuity:</b> Over time, some things about a person (me or a hero) stay the same and some things change (N3-4 Aut1)</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Historical evidence:</b> We can look at photographs and images to see how life was different in the past</li> <li>• <b>Change &amp; continuity:</b> Historians can describe changes that have happened over time</li> <li>• <b>Chronology:</b> Use vocabulary like now, then, before, after, a long time ago</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Historical evidence:</b> Historians learn about the past by interpreting sources (Y1 Aut)</li> <li>• <b>Change &amp; continuity:</b> Over time, some things about a place stay the same and some things stay the same (Rec Sum)</li> <li>• <b>Chronology:</b> Historians place events in the order in which they happened (Y1 Aut)</li> </ul>
VCS		<ul style="list-style-type: none"> <li>• <b>Quest for knowledge:</b> The technology and things we have today have not always existed</li> </ul>	<ul style="list-style-type: none"> <li>• <b>Quest for knowledge:</b> It took a long time for the knowledge that we have today to develop (Y1 Spr)</li> </ul>

## Relevant Development Matters (Reception) statements:

- Talk about members of their immediate family and community.
- Name and describe people who are familiar to them.
- Comment on images of familiar situations in the past.

## Relevant Early Learning Goals (for end of Reception):

- Talk about the lives of the people around them and their roles in society.
- Understand the past through settings, characters and events encountered in books read in class and storytelling.

# Reception: Spring

	Building on prior understanding	Pupils should be exposed to	How knowledge will be built upon
Substantive		<ul style="list-style-type: none"> <li>Monarchs (kings and queens) are important people who help rule a country</li> <li>King Charles III is our King today. Other Kings and Queens lived in the past.</li> <li>Many people lived and worked in castles in the past</li> </ul>	<ul style="list-style-type: none"> <li>Knowledge of Egyptian monarchs (Y3), Ancient Greek monarchs (Y3), Maya monarchs (Y4)</li> <li>Castles as a home for people to live in (Y1 Sum)</li> </ul>
Disciplinary and procedural	<ul style="list-style-type: none"> <li><b>Historical evidence:</b> Look at photographs and images to see how life was different in the past (Rec Spr)</li> <li><b>Change &amp; continuity:</b> Historians can describe changes that have happened over time (Rec Spr)</li> <li><b>Chronology:</b> Use vocabulary like now, then, before, after, a long time ago (Rec Spr)</li> </ul>		
VCS	<ul style="list-style-type: none"> <li><b>Quest for knowledge:</b> The technology and things we have today have not always existed (Rec Aut)</li> </ul>	<ul style="list-style-type: none"> <li><b>Power, empire &amp; democracy:</b> The King is an important person where we live</li> </ul>	<ul style="list-style-type: none"> <li><b>Power, empire &amp; democracy:</b> The King or Queen in England has power to make new rules or laws (Y2)</li> </ul>

## Relevant Development Matters (Reception) statements:

- Comment on images of familiar situations in the past.
- Compare and contrast characters from stories, including figures from the past.

## Relevant Early Learning Goals (for end of Reception):

- Understand the past through settings, characters and events encountered in books read in class and storytelling.

# Reception: Summer

	Building on prior understanding	Pupils should be exposed to	How knowledge will be built upon
Substantive		<ul style="list-style-type: none"> <li>The place where we live looked different at different times in history</li> </ul>	<ul style="list-style-type: none"> <li>Our homes are made of lots of different materials. They have lots of different features (Y1 Sum)</li> <li>Homes look different at different times in history, including in living memory (Y1 Sum)</li> <li>Local history of my community (Y2)</li> </ul>
Disciplinary and procedural	<ul style="list-style-type: none"> <li><b>Change &amp; continuity:</b> Over time, some things about a person (me or a hero) stay the same and some things change (N3-4 Aut1)</li> <li><b>Change &amp; continuity:</b> Historians can describe changes that have happened over time (Rec Aut)</li> <li><b>Historical evidence:</b> Look at photographs and images to see how life was different in the past (Rec Spr)</li> </ul>	<ul style="list-style-type: none"> <li><b>Change &amp; continuity:</b> Over time, some things about a place stay the same and some things stay the same</li> </ul>	<ul style="list-style-type: none"> <li><b>Change &amp; continuity:</b> Some changes happen more quickly than others. The world is changing more quickly in more recent history (Y1 Spr)</li> <li><b>Historical evidence:</b> Sources can be written, video/audio, images, artefacts or oral history (Y1 Aut)</li> </ul>
VCs	<ul style="list-style-type: none"> <li><b>Community &amp; family:</b> Talk about the lives of the people in my community, including my family, and their roles in society (N3-4 Aut)</li> </ul>		

Relevant **Development Matters (Reception)** statements:

- Comment on images of familiar situations in the past.

Relevant **Early Learning Goals** (for end of Reception):

- Understand the past through settings, characters and events encountered in books read in class and storytelling.

# Year 1: Autumn

## My Family History

	Required prior knowledge	Knowledge to be explicitly taught	How knowledge will be built upon
Substantive	<ul style="list-style-type: none"> <li>Say who lives in their house, and name their immediate and extended family (N3-4)</li> <li><b>Science:</b> Trees are a type of plant that have a tall stem made of wood, and lots of leaves and branches (Y1)</li> </ul>	<ul style="list-style-type: none"> <li><b>Living memory</b> is the time that can be remembered by people who are alive today</li> <li>A <b>family tree</b> shows the relationships between different <b>generations</b> in a family</li> <li>Some things in communication / toys / schools have changed in living memory (the past)</li> </ul>	<ul style="list-style-type: none"> <li>Transport has changed across history so that people can travel further (between and across continents) today than they could before (Y1 Spr)</li> <li>Homes reflect the times in which they were built, and so look different at different times in history (Y1 Sum)</li> </ul>
Disciplinary and procedural	<ul style="list-style-type: none"> <li><b>Change &amp; continuity:</b> Over time, some things about a place/person stay the same and some things stay the same (Rec Sum)</li> <li><b>Historical evidence:</b> Look at photographs and images to see how life was different in the past (Rec Aut)</li> <li><b>Chronology:</b> Use vocabulary like now, then, before, after, and a long time ago (Rec Aut)</li> </ul>	<ul style="list-style-type: none"> <li><b>Change &amp; continuity:</b> Historians can describe changes that have happened over time</li> <li><b>Historical evidence:</b> History is the study of humans who lived in the past</li> <li><b>Historical evidence:</b> Historians learn about the past by interpreting sources</li> <li><b>Historical evidence:</b> Sources can be written, video/audio, images, artefacts or oral history</li> <li><b>Chronology:</b> Historians place events in the order in which they happened</li> <li><b>Chronology:</b> Decide whether a source shows life in the past or in the present</li> <li><b>Chronology:</b> Place events in pupils' days in order</li> </ul>	<ul style="list-style-type: none"> <li><b>Change &amp; continuity:</b> Some changes happen more quickly than others. The world is changing more quickly in more recent history (Y1 Spr)</li> <li><b>Historical evidence:</b> Primary sources are sources that were created by someone who experienced the event firsthand. Secondary sources are written about primary sources (Y2 Aut)</li> <li><b>Chronology:</b> State, with reasons, whether one source shows life in a more or less recent time than another (Y1 Sum)</li> </ul>
VCs	<ul style="list-style-type: none"> <li><b>Community &amp; family:</b> Talk about the lives of the people in my community, including my family, and their roles in society (N3-4)</li> </ul>	<ul style="list-style-type: none"> <li><b>Community &amp; family:</b> My local community was different for families at different times in history</li> </ul>	<ul style="list-style-type: none"> <li><b>Community &amp; family:</b> In the past, communities were smaller because people could not travel so far (Y1 Spr)</li> <li><b>Community &amp; family:</b> People in history lived in communities that look different to ours today (Y2 Sum)</li> </ul>

# Year 1: Spring

## How did people travel in the past?

	Required prior knowledge	Knowledge to be explicitly taught	How knowledge will be built upon
Substantive	<ul style="list-style-type: none"> <li>Show an interest in occupations linked to <b>transport</b> (and farms) (N3-4 Spr1)</li> <li><b>Living memory</b> is the time that can be remembered by people who are alive today (Y1 Aut)</li> </ul>	<ul style="list-style-type: none"> <li>We can <b>travel</b> in many ways today</li> <li><b>Transport</b> options have changed in living memory</li> <li>Apollo 11 was the mission that sent two men to walk on the Moon for the first time</li> <li>The <b>Wright</b> brothers invented the <b>aeroplane</b> and Bessie Coleman was the first black woman to gain her pilot's licence</li> <li>Robert and George Stephenson developed the 'Rocket', one of the first <b>locomotives</b></li> <li>Karl Benz invented the first car, and Henry Ford developed the <b>assembly line</b>, which was a new way of making cars that made them affordable for everyone</li> <li>Options to travel in space, in the air, by car or by train have changed over time.</li> <li>People in the past could travel less far than we can today</li> </ul>	<ul style="list-style-type: none"> <li>Michael Collins was one of the first men to travel in space to the Moon (Y2 Sum)</li> <li>Quest for knowledge (Y5); considering how knowledge spread and developed as people travelled further across the globe at different times in history</li> </ul>
Disciplinary and procedural	<ul style="list-style-type: none"> <li><b>Change &amp; continuity:</b> Historians can describe changes that have happened over time (Y1 Aut)</li> <li><b>Historical evidence:</b> History is the study of humans who lived in the past (Y1 Aut)</li> <li><b>Historical evidence:</b> Historians learn about the past by interpreting sources (Y1 Aut)</li> <li><b>Chronology:</b> Use vocabulary like now, before, after, and a long time ago (Rec Spring)</li> <li><b>Chronology:</b> Decide whether a source shows life in the past or in the present (Y1 Aut)</li> <li><b>Chronology:</b> Place events in pupils' days in order (Y1 Aut)</li> </ul>	<ul style="list-style-type: none"> <li><b>Change &amp; continuity:</b> Some changes happen more quickly than others. The world is changing more quickly in more recent history</li> <li><b>Chronology:</b> Recognise historical periods or events using arrows on a blank timeline</li> <li><b>Historical significance:</b> Historians choose to study people or events in the past because they resulted in change</li> <li><b>Similarity &amp; difference:</b> Historians study the way things were different in the past.</li> </ul>	<ul style="list-style-type: none"> <li><b>Change &amp; continuity:</b> Historians describe how changes affect people's lives (Y2 Spr)</li> <li><b>Change &amp; continuity:</b> Changes do not follow one trajectory (Y5)</li> <li><b>Chronology:</b> Place a small selection of sources in chronological order (Y2 Aut)</li> <li><b>Historical significance:</b> Historians choose to study people or events from the past because they were important to people at the time and/or are remembered today (Y2 Spr)</li> </ul>
VCS	<ul style="list-style-type: none"> <li><b>Community &amp; family:</b> My local community was different for families at different times in history (Y1 Aut)</li> </ul>	<ul style="list-style-type: none"> <li><b>Community &amp; family:</b> In the past, communities were smaller because people could not travel so far</li> </ul>	<ul style="list-style-type: none"> <li><b>Community &amp; family:</b> In communities in the past, different people often had very defined roles. In the earliest communities families had to be self-sufficient, and did everything (hunt, cook, clean, build, heal) themselves (Y3 Aut)</li> </ul>

# Year 1: Summer

## Where did people live in the past?

Required prior knowledge	Knowledge to be explicitly taught	How knowledge will be built upon
<p><b>Substantive</b></p> <ul style="list-style-type: none"> <li>Many people lived and worked in castles in the past (Rec Spr)</li> <li><b>Geography:</b> Human settlements can be a city, town or village, depending on their size (Y1)</li> <li><b>Geography:</b> Rural means countryside; urban means towns and cities (Y1)</li> <li><b>Science:</b> The material is what an object is made of, e.g. a cup can be made of paper or plastic (Y1)</li> </ul>	<ul style="list-style-type: none"> <li>Different people live in lots of different types of home!</li> <li>Our homes are made of lots of different <b>materials</b> like bricks and glass</li> <li>Our homes have lots of different features that help us do tasks like cook food, stay warm, and go to the toilet</li> <li>Homes look different at different times in history, including in living memory</li> <li>In the Victorian period (before living memory), people lived in cramped houses like <b>back-to-back</b> houses. Houses were made of bricks and glass</li> <li>Features of homes meant that Victorians did everyday tasks differently than we do today</li> <li>In the Tudor period (before the Victorians) most people lived in <b>rural</b> areas</li> <li>Houses were made of wood and <b>wattle and daub</b>. In the <b>urban</b> areas, <b>jettying</b> was used to give people more space</li> <li>Features of homes meant that Tudors did everyday tasks differently than we do today</li> <li>In the medieval period (before the Tudors), <b>motte-and-bailey castles</b> were built to protect people. Features included <b>keep, motte, bailey, palisade</b> and <b>gatehouse</b></li> <li>Motte-and-bailey castles were made of wood and <b>wattle and daub</b></li> <li>A very long time ago, in the prehistoric period, people lived in small <b>villages</b>, in <b>roundhouses</b> with just one room. They were made of wood and wattle and daub</li> </ul>	<ul style="list-style-type: none"> <li>Jettying and the fact that houses were built very close together was one of the reasons why the Great Fire of London could spread so quickly (Y2 Spr)</li> <li>Homes became more sophisticated through the Paleolithic, Mesolithic, Neolithic, Bronze Age and Iron Age (Y3)</li> </ul>
<p><b>Disciplinary and procedural</b></p> <ul style="list-style-type: none"> <li><b>Historical evidence:</b> History is the study of humans who lived in the past (Y1 Aut)</li> <li><b>Historical evidence:</b> Historians learn about the past by interpreting sources (Y1 Aut)</li> <li><b>Chronology:</b> Use vocabulary like now, before, after, and a long time ago (Y1 Aut)</li> <li><b>Chronology:</b> Decide whether a source shows life in the past or in the present (Y1 Aut)</li> </ul>	<ul style="list-style-type: none"> <li><b>Historical evidence:</b> State whether a source shows life in a more or less recent time than another</li> <li><b>Causation:</b> Things happen because something causes them to happen</li> </ul>	<ul style="list-style-type: none"> <li><b>Chronology:</b> Place a small selection of sources in order, from most to least recent (Y2 Spr)</li> <li><b>Causation:</b> Some things have lots of causes (Y2 Spr)</li> </ul>
<p><b>VCs</b></p> <ul style="list-style-type: none"> <li><b>Community &amp; family:</b> My local community was different for families at different times in history (Y1 Aut)</li> </ul>	<ul style="list-style-type: none"> <li><b>Quest for knowledge:</b> It took a long time for the knowledge that we have today to develop</li> <li><b>Community and family:</b> Homes and the things we use in our homes have changed during the lives of the people in our community</li> </ul>	<ul style="list-style-type: none"> <li><b>Quest for knowledge:</b> Sometimes it was the contributions of important individuals that were important in advancing our knowledge (Y2 Sum)</li> </ul>

# Year 2: Autumn

## Local history

	Required prior knowledge	Knowledge to be explicitly taught	How knowledge will be built upon
Substantive	<ul style="list-style-type: none"> <li>The place where we live looked different at different times in history (Rec)</li> <li><b>Geography:</b> The school and community are at the local scale; countries are at the national scale; continents are at the global scale (Y1)</li> </ul>	<ul style="list-style-type: none"> <li>How our town (Kettering) has changed over time</li> <li>What is the same and what is different</li> </ul>	<ul style="list-style-type: none"> <li>The local history unit in Year 4 allows pupils to further build on their knowledge of their local area. **Some places are ruled as an autocracy.**  
The Egyptian pharaoh was autocratic and answerable to no one.  
An **autocracy** is place where one person or one group can rule exactly as they want to forever.

**Democracy** is a system of **government** where everyone has a say.

**Some places are ruled as a democracy.** We compare Athenian democracy with Spartan (and Egyptian) kings.

**Not all democracies are the same.** We compare UK with Athens.

**City-states have independent identities and governments**

**Governments that look democratic on paper can be autocratic in reality.** Rome's transition from kings, to republic to dictatorship to empire did not change much in practice.  
The Roman **empire** was ruled by an **autocratic** emperor.

**Boundaries of Anglo-Saxon kingdoms** changed over time, reflecting changing power of their kings.

**The Vikings organised themselves in ways that had **autocratic** and **democratic** features (things).**  
**Boundaries of Viking territory in England** changed over time.  
**Some places organise themselves in ways that have both autocratic and democratic features.**

**Ancient Maya civilisation was divided into city-states.**  
The relationships between city-states in Maya civilisation were different to those in Ancient Greece.  
Maya kings ruled **autocratically**.

Power, empire & democracy

Quest for knowledge

Community & family

'Belief systems' evolved in the Roman empire as it conquered new people with different beliefs.

Romans believed in **multiple gods**, based on ancient Greek gods.

There can be **tolerance or persecution** of different beliefs.

Official 'belief systems' may change quickly but, in practice, individuals' beliefs did not change that quickly.

The Roman emperor was worshipped **like a god** after he died.

People in the past had different beliefs and worldviews to us.

Some knowledge and beliefs are based on the **natural world**. People held similar and different beliefs about an **afterlife**. Prehistoric **grave goods** show prehistoric Britons believed items would be needed in an afterlife.

**Animal sacrifices** could be an important part of worship. There is evidence of this in prehistoric Britain.

Ancient Egyptians believed in an **afterlife** known as the Field of Reeds.

Ancient Egyptian **grave goods** show that people believed items would be needed for the **afterlife**. Grave goods belonging to the pharaoh have been found in pyramids.

Ancient Egyptians believed in **multiple gods**, like Horus, Isis and Osiris.

The pharaoh was believed to be **half man, half god**.

Shared beliefs can be a way of uniting – to some extent – two peoples. Romans and Britons found some common ground at some temples.

Many of the earliest civilisations across the world – including those who never shared ideas – held beliefs about the **natural world**.

People's **personal 'belief systems'** can take on ideas from lots of places. The **grave goods** from Anglo-Saxon England suggest beliefs in the natural world existing alongside newer Christian ideas.

The Vikings believed in **multiple gods**, like Odin, Thor and Loki.

The Vikings believed in an **afterlife** called Valhalla.

Viking beliefs slowly **evolved** to incorporate more Christianity.

The caliph was the **leader of the religion** of Islam as well as the political empire.

Ancient Maya believed in **multiple gods**.

Ancient Maya worshipped their gods in **temples** built on top of pyramids.

Ancient Maya used **blood sacrifices** – and sometimes **human sacrifices** – to thank the gods for the sacrifices they made for humans.

Maya king was believed to be **half man, half god**,

Key Stage 3

Different civilisations have different ideas about what a "family" is. Roman citizens were plebeians (poorer) or patricians (wealthy). The extended family also included slaves.

Female citizens had very few rights compared to men.

Systems of slavery have existed in communities and civilisations across the world for a long time. Slaves could be taken from different communities based on their wealth.

The achievements of women have often been undervalued in different societies in the past, for example Hilda of Whitby.

During the Anglo-Saxon period, children were expected to help with domestic jobs, tend to animals, and assist with farming.

Viking women often faced obstacles to achieving the same things as men. They had some opportunities for education and power, but some parts of life were inaccessible to them.

Slaves could be taken from different communities based on their race, ethnicity or gender.

The education of children was highly valued in Early Islamic society and schools were established in communities, for example in mosques.

# Thinking Like a Historian (EYFS & KS1)

Through developing the following **disciplinary** knowledge ("knowing that") and **procedural** knowledge ("knowing how to"), pupils learn how to **think like a historian**. The tables below outlines where knowledge is **first taught** in KS1 or KS2:

Disciplinary knowledge					Procedural knowledge	
	Historical Cause and Consequence 	Historical Significance 	Historical Change & Continuity 	Historical Similarity & Difference 	Historical Evidence 	
EYFS	<ul style="list-style-type: none"> <li>My actions can make something happen (e.g. pull a chair) (N3-4)</li> </ul>		<ul style="list-style-type: none"> <li>Over time, some things about me/the place where I live stay the same and some things change (Rec)</li> <li>Historians can describe changes that have happened over time (Rec)</li> <li>Over time, some things about a place stay the same and some things stay the same (Rec)</li> </ul>		<ul style="list-style-type: none"> <li>We can look at photographs and images to see how life was different in the past (Rec)</li> </ul>	<ul style="list-style-type: none"> <li>Give my age as a number of years (N3-4)</li> <li>Use vocabulary like now, then, before, after, a long time ago (Rec)</li> </ul>
Y1	<ul style="list-style-type: none"> <li>Things in the past happened because something causes them to happen</li> </ul>	<ul style="list-style-type: none"> <li>Historians choose to study people or events from the past because they resulted in change</li> </ul>	<ul style="list-style-type: none"> <li>Historians can describe changes that have happened over time</li> <li>Some changes happen more quickly than others. The **Disciplinary Knowledge** curriculum for KS3 includes review of some of the objectives above, as pupils deepen and widen their learning, applying their ability to **think like a historian** to a wider range of contexts and with increasing independence. This will ensure a high and consistent standard for all pupils, including those who have not previously accessed the *United Learning Primary Curriculum*.

KS3 pupils will also learn, for the first time, about **Historical Interpretation**. This will build on their knowledge of several of the Disciplinary strands studied in the *Primary Curriculum* (in particular **Historical Evidence** and **Historical Significance**), as they develop their ability to explore the validity and wider context of historians' interpretations of the past.

**Historians choose to study people or events from the past because they resulted in change.**

We learn about Henry Ford or the Wright brothers because they created big changes in the way we travel.

**Historians can set their own criteria for what they consider to be significant and why it should be studied.**

We make our own arguments as to why we – and next year's Year 4 – should learn about the Early Islamic Civilisation.

**Historians choose to study people or events from the past because they resulted in change and/or were important to people at the time and/or are remembered today.**

We ask why we remember the Great Fire of London today: because of the short-term changes in the city, but also the longer-term impacts on building regulations and fire service that are relevant today.

**The past is everything that has happened to everyone, but we only learn about some parts in history. The rest is known as silence.**

We talk about why some civilisations are studied more than others, and how and why this is changing.

**What historians consider to be significant is different to different people at different places and times. We, as historians, can recognise reasons for why we are studying something in a particular place or time.**

We talk about how today's context shapes what we learn about in history lessons, and why we are learning about (e.g.) the British civil rights movement in school, when the adults at home probably did not.

## Thinking Like a Historian: Historical Similarity and Difference

Disciplinary knowledge

Significance

Similarity & difference

Change & continuity

Cause & consequence

Evidence

Chronology

Vertical concepts

Power, empire & democracy

Quest for knowledge

Community & family

Historians study the way things were different in the past.

Similarities and differences exist between two individuals who lived in the past.

We learn about Sacagawea and Michael Collins, both American explorers who went on expeditions, and describe the similarities and differences of their experiences.

Historians should recognise the similar and different experiences that individuals from the same community have based on their age, gender, race, wealth, sexuality and other characteristics.

We learn about the diversity of the Roman empire, and the range of experiences that people could have within it.

Historians can consider the similarities and differences between people in two historical civilisations.

We can compare the experiences of people in two different civilisations.

We learn about the ancient Maya and compare this civilisation with ancient Greece, e.g. city-states, beliefs and buildings.

Historians sometimes group people together to make explanations easier, but every individual in the past had similar and different experiences.

We challenge the label of 'ancient Greek', and question whether all these people would have had similar experiences. We talk explicitly about the differences in city-states, and the different experiences of men, women and children in Athens' democracy.

Change & continuity

Cause & consequence

Evidence

Chronology

Vertical concepts

Power, empire & democracy

Quest for knowledge

Community & family

**Historians can describe changes that have happened over time.**

We use photographs and artefacts to describe changes in living memory, focusing on schools, communication and/or toys.

**Over time, some things about me stay the same and some things change.**  
We describe how we have changed since we were a baby.

**Historians can describe changes that have happened over time.**

Some changes happen more quickly than others. The world is changing more quickly in more recent history. We visualise history on a timeline or roadmap, and notice how there are more differences between the changes in more recent times.

**Historians describe how changes affect people's lives.**

Changes do not always follow one trajectory, and changes do not always mean progress.

We learn about how Rome grows and then shrinks; how the average Roman citizen gained more power in the republic and then less in the empire; and how Romans persecuted Christians more, and then less as the empire became more tolerant.

**Changes can take place gradually (evolution) or very rapidly and completely (revolution).**

We visualise some of the changes taking place in Rome on a graph, e.g. the size of the empire on the y-axis and the time along the x-axis. This helps us to see how the rate of changes could vary.

**Historians can describe changes that have happened over time.**

**Over time, some things about the place where I live have changed, and some things have stayed the same.**  
We use photographs to describe how the place we live has changed over time.

**The impact of larger-scale changes can be seen in [my local area].**

**Historians can identify and analyse examples of resistance to change.**

**Historians' understanding of how and why changes took place develops over time.**

In Understanding the World in particular, we explore the effects of pushing and pulling, and using forces to make things happen. In Personal, Social and Emotional Development, we start to explore the effects of our actions on other people.

N 3/4

Marvellous Me & Look at Me

On the Move

On the Farm

R

Me and My World

My Heroes

Some things can have lots of causes.

We learn about facts of the Great Fire of London and identify, from this list, the many reasons as to why the fire burned for so long. (i.e. 'the houses were built close together' is one part of the answer to the question, but 'the fire started in Pudding Lane' is not). We also discuss and start to rank the identified reasons as to which one had the most impact.

Causes can be long-term conditions or short-term triggers. We consider the reasons why the Great Fire of London burned for so long, and decide if they are long-term conditions (e.g. houses being built close together) or short-term triggers (e.g. the strong wind that blew on the day, which spread the fire quickly).

Some things have lots of causes that are connected in some way.

We consider the reasons why the Egyptian pharaoh was so powerful and how they are connected and can be mutually supportive (e.g. they were often viewed as warrior kings who conquered other places, and this brought new wealth which was another reason as to why the pharaoh was powerful).

Causes can be categorised as economic, physical, social, institutional, etc.

We learn about the ways that Romans kept control of Britannia, and group these ways into economic, physical, institutional, informal and intellectual.

Historians can argue that some causes are more important than others.

As historians, we discuss and give reasons for why we think one way of maintaining control was more effective than another.

Historians interpret primary and secondary sources and build arguments to explain the causes of events.

#### Quest for knowledge

#### Community & family

**History is the study of humans who lived in the past.**  
We can identify whether an image shows something that historians might study.

**Historians learn about the past by interpreting sources.**  
Sources can be written, video/audio, images, artefacts or oral history.  
We use a range of sources – including artefacts, images, oral history and some written text – to compare the past with the present.

**Primary sources** are sources that were created by someone who experienced the event firsthand. **Secondary sources** are written about primary sources.

We use primary sources (e.g. photographs taken in the past) and secondary sources (e.g. leaflets about the history of our local area) to learn about our community in the past.

**We can look at images and photographs to see how life was different in the past.**  
We look at photographs and images of castles and monarchs from the past and the present.

**There are limits to what historians can learn from a collection of sources.**

We talk about why historians can never truly know what prehistoric Britons believed, even when using artefacts and ecofacts.

**Archaeology is the branch of history that deals with remains of human life.**

**Archaeologists study artefacts, ecofacts and features.**  
We consider how historians know about what life was like in prehistoric Britain, and about the artefacts, ecofacts and features they use.

**Political maps change over time.**

We learn about how the size and boundaries of the early Islamic civilisation changed over time, as the caliph lost or gained lands.

**Sources do not provide an objective account of what happened in history; historians need to consider the author and purpose and analyse it critically.**

We consider an ancient Egypt relief depicting events of a battle, and an inscription in a pharaoh's tomb. We consider the audience and purpose and talk about why we cannot take these sources as factual recordings.

**Historians need to cross-reference sources in order to build confidence in what they say.**  
We cross-reference two written sources as well as archaeological evidence and use these to say whether or not farming was taking place in Britain before the Romans' arrival.

**Archaeologists follow a very similar process to scientists.**  
We learn about Sutton Hoo and how archaeologists went about their investigation.

**Local history archives can be an invaluable source of information for historians.**  
We use sources in our local area as part of our local history project.

Marvellous Me & Look at Me

On the Move

On the Farm

R

Me and My World

My Heroes

We give our age as a number of years.

We use vocabulary like, 'now', 'then', 'before', 'after' and 'a long time ago'.

We decide whether a source shows life in a more or less recent time than another.

Year 2

Homes Through Time

Local History

Year 1

My Family History

Where We Live

Castles, Knights & Dragons

Year 3

Explorers

Year 4

Year 5

Year 6

Key Stage 3

We place a small selection of sources in order, from most to least recent.

Now we are secure in negative numbers in mathematics, we can use AD (CE) and BC (BCE) accurately.

We add 'millennium' to our vocabulary of a way of describing time.

We use key dates to compare the timing of two events, considering how closely together or far apart they occurred.

We describe historical periods and time using dates [AD only] and as a given number of years ago (up to 1000, as per mathematics knowledge).

We place dates (AD only) on a timeline.

We convert between a year and a century.

# Grange Curriculum: History

We recommend that some of our units are taught in either the first or the second term of the Autumn, Spring or Summer. The rationale for each of these cases is listed below; schools should be mindful of these when planning the year.

In **Y1 Autumn**, history should be taught in Aut2, so that pupils can review their knowledge of trees and relate this to family trees in history.

In **Y2 Spring**, geography should be taught in Spr1 so that pupils can use their knowledge of hot and cold deserts in science in Spr2, where they will learn about the adaptations of camels, cacti, Arctic foxes and shrubs.

In **Y3 Autumn**, history should be taught in Aut2, to allow them to build on knowledge of fossils and rocks that is taught in science in Aut1.

In **Y3 Summer**, history should be taught in Sum2, to allow them to review locational knowledge of Europe that they are taught in geography in Sum1 in the context of Ancient Greece.

In **Y4 Spring**, geography should be taught in Spr2, so that pupils can build on knowledge of the water cycle and evaporation and condensation (first taught in science in Spr1).

In **Y4 Autumn**, history should be taught in Aut2 to allow pupils to make links with their learning about sacrifice in Religion and Worldviews lessons.

In **Y5 Autumn**, geography should be taught in Aut1 to allow pupils to make links across the sustainability curriculum (in geography).

In **Y5 Summer**, history should be taught in Sum2, to allow them (in lesson 4) to review the heliocentric model, which is first taught in science. In this way, they can see the development of familiar scientific ideas in history.

In **Y6 Autumn**, geography should be taught in Aut2, because it allows them to build on scientific understanding of renewable and non-renewable energy sources which is first taught in science in Aut1.

In **Y6 Spring**, history should be taught in Spr2, so that they can use their knowledge of migration first taught in geography in Spr1, to consider the movement of the Vikings.

Assessing impact is assessing how well pupils have learned the required knowledge from the implemented curriculum. It is not about lots of tests, or meticulously comparing pupils' outcomes at the start and end of each unit.

The Grange Curriculum has this progression built in, and so teachers and subject leads just need to be confident that pupils are keeping up with it.

This can be done through:

- **Formative assessment in lessons**

There are opportunities for formative assessment in the lesson slides provided, and teachers should continually adapt their lesson delivery to address misconceptions and ensure that pupils are keeping up with the content.

- **Low-stakes summative assessment**

A post-learning quiz is provided for every unit. These questions usually take the form of multiple-choice questions, and aim to assess whether pupils have learned the core knowledge for that unit. These should also be used formatively, and teachers should plan to fill gaps and address misconceptions before moving on.

- **Books and pupil-conferencing**

Talking to pupils about their books allows you to assess how much of the curriculum content is secure. These conversations are used most effectively to determine whether pupils have a good understanding of the vertical concepts, and if they can link recently taught content to learning from previous units. (They should not be used to assess whether pupils can recall information, as low-stakes quizzes can gather this information more efficiently).
